AMENDMENT

Sir:

In response to the Office Action dated June 15, 2004, please
amend the above-identified application as follows:

IN THE CLAIMS

1. (Currently Amended) A device for demonstrating an effect
of a selected signal-processing operation, said device comprising:

a signal-processing device for processing an incoming signal
according to said selected signal-processing operation to supply a
processed signal to presentation means; and

demonstration means for controlling the signal-processing
device to perform said selected signal-processing operation in
response to a user command, the demonstration means comprising:
